## 2007 - 2008 LCDs & LEDs Design Guide Catalog

Lumex is proud to announce the release of its expanded 2007-2008 LEDs and LCDs Design Guide. This expansive and extensive guide includes new and upgraded products in all of Lumex's major product families. The new guide also includes Lumex's new HIGH POWER LED trio, LuxLED™, SuperFluxLED™, and the 1W AstraLED™.

Over 360 pages of Discrete LED solutions, SMT LEDs, LED Chips, Light Pipes, LED Displays and LED Backlights. In the LCD Section, LCD Panels, LCD character and Graphic Modules are available. There is also a section on surge protection Gas Tube Components, and, of course, a wide array of Lumex's application-specific solutions for all your design needs.

To obtain your free copy of Lumex's new LEDs & LCDs Design Guide, simply complete the attached Request Form and fax it to (847) 359-7988, or contact Barb Lowery at: (847) 359-2790 x1500 or [barbl1500@lumex.com](mailto:barbl1500@lumex.com).

## IEN Connects

Lumex's high power 1W AstraLEDs™ were featured in this month's issue of IEN Connects. To view the article online, just click on the attached link.

In addition, Lumex's 1W AstraLEDs™ will also be featured in the upcoming issue of IEN's Industrial Literature Review (ILR) - Product Showcase.

## Distribution Partners

Lumex's new 1-Watt AstraLED™ is now in stock through each of our catalog distributor partners.

In addition, NewarkInOne will be carrying our LCD line and they will be adding them to their upcoming 2008 catalog.

You can also check for any product availability on the web by logging onto [www.lumex.com](http://www.lumex.com).

## EDS 2007

See what's new at Lumex!

Visit us at EDS 2007, *the Global Summit for the Electronic Components Channel - Manufacturers, Distributors and Representatives of Electronic Components.*

Stop by the Lumex Suite, #1950P, or contact Barb Lowery to set up an appointment in advance.

Hope to see you there!

## Lumex Calendars

Lumex Computer Calendars are still available for anyone interested.

If you would like additional computer calendars, please contact:
